FUTURE DEVELOPMENT

Hethersett Woodside is in the village of Hethersett. We are proud of being "Ofsted Outstanding" since 2007. This was validated by a recent monitoring visit in 2017.

From September 2019, we will begin to grow into a two-form entry primary school and be renamed Hethersett Woodside Primary and Nursery.

During the academic year 2019/20 Hethersett Woodside will move to a new purpose-built site to the north of the village.

School Of Sanctuary

This year Hethersett Woodside has been working towards becoming a School of Sanctuary. Our school is committed to being a safe and welcoming place for all, especially those seeking sanctuary.

HETHERSETT WOODSIDE

Growing lifelong learners
who care, share and shine

Respect
Resilience
Responsibility

MISSION STATEMENT

At Hethersett Woodside, we provide a positive, friendly and stimulating working environment, which supports high motivation and engagement in purposeful learning for all staff and pupils.

The safe environment will nurture and inspire creativity and a love of learning, allowing everyone to flourish and grow together within an atmosphere of mutual respect.

We nurture lifelong learners who are aspirational, reflective, creative, respectful, who work together and never give up.

At Hethersett Woodside we aim to provide:

- a happy, safe and nurturing environment for all
- a culture that promotes healthy and positive attitudes to learning and living
- a curriculum that is meaningful, purposeful and relevant, which develops enquiring minds and essential skills for life
- a team of reflective practitioners who engage in high quality professional staff development to benefit children's learning
- opportunities for all members of our school community to play a role in school development; ensuring that every voice is heard
