

Be the change

Verse 1 There'll always be a reason why
It seems too difficult to even try.
The world is changing every day.
How can we make sure that we have our say?

Verse 2 We are the future of this earth.
We need to treasure it, to know its worth.
Let's be the ones who really care.
Let's make the world a place that's kind and fair.

Chorus Make a difference.
Say it clearly.
I'm gonna be,
Be the change (change).
Be the change (change).

Bridge Be the one who stands up proudly,
Whose voice is always strong.
Send your message out so loudly,
Make things right when they are wrong.
Wrap your arms around the world
And be the change (change).
Yeah, be the change (change).

Verse 3 Look after each and every one.
With love and tolerance, you can't go wrong.
Just lead the way and do what's right.
Together we can make the future bright.

Chorus
