Dear Parents

On behalf of everyone from Hethersett Woodside, thank you for your continued support during these very uncertain times.

A big thanks to all parents who completed the survey this week. The feedback you gave has been extremely useful. Around 96% of you felt that communication was good during this challenging time. 211 of you completed the survey which means that we have been given a good picture of your current views. If you wish to contact me further please do so by email: [head@hethersettwoodside.norfolk.sch.uk](mailto:head@hethersettwoodside.norfolk.sch.uk)

Following the announcement on Sunday we are beginning to plan for children to return to school. This will be done with a careful measured approach and only when it is practical and safe to do so for children and staff. We are already experiencing an increase in the number of children from critical workers coming into school and these children will be accommodated first. As you may be aware Reception children will be the first year group invited to join us back in school during the summer term.

I was led to believe we would be given sufficient notice with regards to children returning to school however we are still awaiting clarity and guidance, these updates we are receiving daily. We will keep you informed when plans become more certain. As I said in my last letter, we are entering a period of change and I will not allow Woodside or its community to be unprepared or unsafe.

Yours sincerely  
Angela Jermy
