## **Year Three: Lime**

Dear Parents,

Thank you for working with us for a really successful first half term, which has seen the children settle back into school life in their brand new setting.

We are looking forward to meeting you soon at parents' evening, which will be held virtually this year. You should have had an opportunity to make an appointment via our online survey and meeting times have been arranged.

As you will be aware, we have now completed both our one-off transition project and our recovery curriculum work. Therefore, this half-term, your children will begin to look at Year Three content from our school curriculum.

Our topic for this half-term is 'The Magic of Theatre' and this encompasses learning about a range of different areas, from Light in Science to playscripts in English. In Maths, we will be focusing on the four operations throughout the half term, beginning with addition and subtraction.

Please see below for a summary of all the learning taking place over the course of the half-term. Note, PE is still on a Monday and alternate Tuesdays/Thursdays (beginning with Tuesday the first week back). The children will need to continue to come to school in their sportswear on these days please.

You will also find a series of links to various different online learning resources below. We appreciate that more and more, families are needing to isolate for fairly lengthy periods of time. We have provided materials for you to access during these absences.

If there is any further information or support you require, please do try and catch one of us at the school gate; contact us via email or contact the school office to arrange a conversation.

Kind Regards

Mrs de Bloeme and Mrs Pullinger

## Remote Learning

Use the weekly links below, for supporting home learning in the event of long-term absence or select lessons and resources from remote learning platforms.

<b>Maths</b>	Head to the Maths Resources section in <a href="#">Resources: Lime: Autumn 1.2</a> , on our website, to access links to <i>White Rose Maths</i> .
<b>Reading</b>	This film <a href="#">The Black Hat</a> and the accompanying activities compliment the texts we are reading this term (see above). Click on the link to watch the film. Like our texts, this story is about magical things happening to an ordinary boy. There are lots of activities to choose from. There are further ideas on the page underneath the clip too.
<b>Spelling</b>	<a href="#">One</a>   <a href="#">Two</a>   <a href="#">Three</a>   <a href="#">Four</a>   <a href="#">Five</a>   <a href="#">Six</a>   <a href="#">Seven</a>
<b>Grammar</b>	Use the following to access grammar lessons about: <a href="#">Expanded Noun Phrases</a> <a href="#">Inverted commas</a> <a href="#">Prepositions</a>
<b>Science</b>	These lessons from the Oak Academy support our science topic <a href="#">Light and dark</a>

For other subjects, try our website, for ideas and resources for supporting learning at home. You can find the link to our Home Learning section [here](#).
