

In light of the measures we are introducing to our school at this time, we have updated our agreement:

- I recognise that social distancing of 2 metres will be promoted where ever possible but recognise that this may not always be possible, especially in the early years.
- I agree to staff giving my child personal and first aid care when necessary.
- In the event of my child becoming distressed, I agree to staff giving comfort, if this appears to be in the best interest of my child. This will be approached with care and safety in mind for both child and adult.
- I will ensure that my child will come to school in clean clothes.
- I will ensure that my child will only bring a minimal amount of items to school, which are essential.
- If my child needs a change of clothes or a set of nappies (Early Years) I will provide the school with a set in a bag and leave at school.
- In the Early years I will leave a set of wellingtons at school.
- I will collect my child from school at short notice, if school staff are unable to safely manage behaviour that compromises the safety of any child and/or adult, under the terms of our risk assessment.
- If my child shows any signs of coronavirus symptoms, I will not bring them into school.
- If my child falls ill during the school day, I will collect them immediately from school.
- If my child is ill and unable to attend school I will phone the office in the usual manner; I will inform the school if the illness involves symptoms of COVID-19 and will get my child tested.
- If my child or member of my family tests positive for COVID-19, I will immediately inform the school and follow isolation procedures for myself and my family.
- If another child or assigned adult in my child's bubble tests positive for COVID-19, I will keep my own child isolated for 14 days.
- I will keep myself and my child socially distanced whilst on the school site and follow the signage and direction of school staff.
