Year Three: Lime

Spring 2.1

Dear Parents,

Welcome back after the Christmas break. We hope you had an enjoyable time. We are looking forward to all the next term will bring for us in year 3.

Our topic for this half-term is 'The Ancient Egyptians' and this encompasses learning about a range of different areas, from writing newspaper articles in English and plants in science. Light in Science to playscripts in English. In Maths, we will be continuing our work on multiplication and division before moving on to money, statistics, length and fractions.

Please see below for a summary of all the learning taking place over the course of the half-term. Note, PE is on Tuesdays and Thursdays. We will be learning dance and circuit training. The children will need to continue to come to school in their sportswear on these days please.

We are making some changes to our routine in KS2, one is regarding snack. Instead of taking snack in the classroom, we will now eat outside at break time. The children will need to bring their snack in a *named* container to be able to transport it outside and for us to easily reunite children with their snack containers if they are left behind outside.

We have been increasing our use of Google Classroom at school and we are pleased that the children have been accessing it at home. We will continue to put homework activities on to Google Classroom, along with our weekly spellings and other activities for the children to do at home.

Hethersett Woodside Primary & Nursery School

Email: office@hethersettwoodside.norfolk.sch.uk Headteacher: Mrs Angela Jermy

As before, you will find a series of links to various different online learning resources below. We appreciate that more and more, families are needing to isolate for fairly lengthy periods of time. We have provided materials for you to access during these absences.

If there is any further information or support you require, please do try and catch one of us at the school gate; contact us via email or contact the school office to arrange a conversation.

Kind Regards

Mrs de Bloeme and Mrs Easey
