11th February 2021

Reception: Rowan and Sycamore

Dear Parents,

Thank you for working with us over this tricky last half term, when much of the learning was provided online. We have really enjoyed seeing and responding to all the observations you have uploaded to Tapestry. We can see that the children are enjoying their learning with you and making progress.

As school will be closed for the next few weeks, we will continue to deliver our curriculum via Tapestry and Google Meets. We will provide daily phonics recordings and maths sessions which we strongly recommend you to follow. We will also offer a variety of practical activities for other areas of learning from which you can pick and choose.

Our inquiry theme for this half-term is "Friend or Foe - Be Careful What You Wish For!" through which we will explore different animals that hatch from eggs, their habits and their habitats. We will also learn about friendship, caring for ourselves and for others. We will continue our investigations of the changing seasons and celebrations by looking at Chinese New Year, Mothers' Day and Easter. This runs alongside skill development in all seven areas of learning planned in response to your children's interests and needs.

We attach an overview of our term's learning.

You will also find a series of links to various online learning resources on the Home Learning part of our school website. If there is any further information or support contact us via *Tapestry* or email. We are always pleased to hear from you and happy to help in any way we can.

Kind Regards

The Reception Team
