Year Four

Summer 3:1

Dear Parents,

Thank you for all your hard work and support during the recent lockdown. All the children were brilliant and we would like to thank their families for all their support during the online lessons. The children have returned to school with a fantastic attitude towards their learning.

We hope you had a restful Easter break.

Our topic for this half-term is an extension of The Ancient Greeks. In English, we will begin to read an abridged version of the ancient classic The Iliad by Homer and in Maths we will be diving deeper into multiplication, division and fractions.

Please see below for a summary of all the learning taking place over the course of the half-term. Note, PE is still on a Monday and Friday, when the children will need to continue to come to school in their sportswear. We advise children to bring a sun hat and apply sun cream for warmer days. (Suncream can not be applied in school.)

We are carrying on with Ancient Greek artwork this term and would ask if parents could donate an old long sleeved shirt or apron to keep the children paint free! Thank you.

If there is any further information or support you require, please do try and catch one of us at the school gate; contact us via email or contact the school office to arrange a conversation by phone.

Kind Regards

Mr Kearse, Mr Collingwood and Mr Cole
