

Summer 1<sup>st</sup> Half Term

In Year 1 our enquiry is:

# How does your garden grow?

We aim to...

## Maths

Read, write and order numbers to 100 looking at place value (tens and ones).

Add and subtract with these numbers.

Counting in 2's, 5's and 10's

Solve addition and subtraction word problems.

Learning to tell the time O'clock, Half past and quarter past.

## Literacy

Use Talk for Writing to imitate, innovate and invent warning stories based on the Three Billy Goats Gruff.

Writing diaries remembering full stops, capital letters and letter formation to join up special friend sounds.

Listen and watch poems performed by Michael Rosen.

Key texts;  
Tops and Bottoms  
Oliver's Vegetables

## Science

Learn about the types of plants and trees that grow in this country and other countries.

Labelling part of a plant.

What do plants need to grow?

Identifying the parts of a plant that we eat. (roots, shoots, stems, leaves)

Grow beans, cress tomatoes and sunflowers.

## Art

Develop our pencil skills and other media in order to create still life drawings of fruit, vegetables and flowers.

Recreating similar paintings as the Artist Van Gogh.

## Geography

Use maps to look at where our fruits and vegetables are grown before being sold here.

Draw simple maps of different gardens.

Looking at our local area.

Naming important areas local to us (Hethersett, Norwich, London etc)

## Computing

Using Microsoft Word on the laptops to type a message, changing the font size and style.

## R.E.

How do we care for our natural world?

## Design Technology

Understand where our food comes from.

Making and evaluate egg and cress sandwiches

Design and make flowers for our Garden centre

Designing and making miniature gardens.
