Dear Parents and Guardians,

Having successfully trialled an online communication platform called *Class Dojo* in the summer term, in several classes, we would now like to invite all parents to connect, using this service. Whereas *Google Classroom* is for pupil use, we think *Class Dojo* is an amazing communication tool for parents.

We use it to communicate with one another: instantly sharing messages, updates, events and photos from class (your child will not be named in any photos that we share). It's simple, secure, and gives you a window into your child's school day! We would like all families to join us by signing up for a parent account. You can use it on any device, it is simple to use with a free mobile app for iOS and Android and can also be accessed from your computer at classdojo.com.

To connect to your child/children, just click the link(s) below that match your child(ren)'s class(es). Please remember that your child's image may be used on *Class Dojo*. If you are not happy for this to happen, there is no obligation to connect with any class. Please be aware that due to some technical difficulties we are experiencing, some classes may be slower at posting announcements than others in the initial few weeks. We appreciate your patience on this matter.

Kind regards

Mr Russell Cole
