16th November 2021

Dear Parents/Guardians,

As Hethersett Woodside develops, we need to explore the options of children having the chance to shine. We've been evaluating what has come before, thinking about our current situation and looking to the future to plan a progressive range of activities that gives our children an opportunity to showcase themselves each year.

At our last Community Forum, we put forward a draft plan which was welcomed by those in attendance. Therefore, I would like to trial the following structure this year:

Nursery: A Christmas Nativity performed in Nursery

Reception: A Christmas Nativity performed in School Hall

Year 1: A Christmas Nativity performed in the School Hall

Year 2: Carols Around the Tree in the School Hall

Year 3: Carols to the Community: A Christmas Carol Concert for the Residents of Hethersett Hall Care Home

Year 4: A charity event based within School in the Spring Term

Year 5: Enterprise Project at the Village Hall in the Summer Term

Year 6: Pantomime at the end of the Summer Term (2022/23)

For each of these events, more details will follow from the specific year group staff.

Unfortunately, following advice from Public Health England and Norfolk County Council, we have decided not to invite parents and guardians into school to see our Christmas based events for Nursery, Reception, Year 1 and Year 2 this year.

However, we are working behind the scenes to look at different options of how we can record these and allow you to view them online.

Please do bear in mind that we will be working to the photo consent forms that you have already submitted to the Office. Children without photo consent will still take part in the events but will not feature on any recording.

Please feel free to make contact with me if you have any questions. Feedback from each of the events will be greatly appreciated to evaluate what we offer.

Kind regards

Sam Carter

Deputy Headteacher
